Dear Parents / Carers

### **Computing Curriculum Event**

We would like to invite all parents, grandparents, carers and children (supervised) to our Computing Curriculum Event which will take place on Wednesday 1<sup>st</sup> March 2017 at 3.30pm to 4.50pm, starting in our Junior School Hall.

The aim of the event is to inform you about the Computing Curriculum here at Woodfall as well as give you the opportunity to try out some of our equipment and software for yourselves.

There will be the opportunity to ask questions and find out how you can help your child at home.

So we can identify the number of people who will be attending, please complete the slip below and return to the school office.

We really look forward to seeing you all at this event.

Yours sincerely

Mrs Helen Hough
